The screenshot shows the Microsoft Office 2010 Start screen. On the left, a blue sidebar contains the text "Word 2013 Preview" and "Recent" with a message: "You haven't opened any documents recently. To browse for a document, start by clicking on Open Other Documents." Below this is a button labeled "Open Other Documents". The main area is a grid of document templates. A central window displays the "Office" logo and the text "Welcome to Office" and "We think you'll love it. Let's get started." with a "Next" button. The background shows various templates like "Blank document", "Business flyer", "Student report", "Newsletter", "Business letter", "Services quote", "2012 calendar", and "ANNUAL SALES EVENT". The Windows taskbar is visible at the bottom right, showing the system tray with the date "17.07.2012" and time "15:34".
